Introducing Negotiator AI

The HOW?

- **Realistic Negotiation with the AI Negotiator**
- **Random Scenario-Based Practice**
- **Realistic Dialogue with professional tone and logic**
- **Instant Feedback** for preparation, strategy, EQ, confidence, and argument strength.
- **Low Stakes:** Practice freely without real-world risks.
- **Web-Based:** Runs directly in the browser
Expandable: Future-ready for voice input, analytics, and personalized coaching.

**Demo Here and Negotiate
Away:**
